MIKE BRUNS HELIAS FOUNDATION EXECUTIVE DIRECTOR

GINA CLEMENT 2022 HELIAS FOUNDATION BOARD PRESIDENT

WELCOME alumni, parents, grandparents, friends and business partners!

It is with a humble heart that we share with you and *thank you* for the extraordinary giving results for our 2021 Annual Fund Drive, *"Continue the Legacy, One Gift. One Goal."* in support of the Foundation and Helias Catholic High School. During another year that was truly unprecedented, our community united as one, persevered and stood strong, while being guided by our faith to continue our mission.

Even through another year of the pandemic, the Helias community stood strong in their faith. Their unwavering commitment reflects their love of Helias Catholic High School! That's why we share our stories with you. We use this magazine as an opportunity to tell our story, to show how our students, faculty, staff and alumni are learning to make an impact on the world!

We are honored to present this annual Crusader magazine that recognizes the dedication and commitment of Helias Catholic volunteers and donors-alumni, parents, alumni parents, faculty, staff and friends. The entire Helias Catholic and Foundation community appreciates their extraordinary support to our school. We hope you will take the time to read the information and stories included about Helias Catholic, and join us in offering a prayer of thanksgiving for the many blessings our students received as a result of the generosity of those named on these pages.

As we end our 2021-2022 school year, we reflect on the past year, celebrate our community and honor those who have helped make Helias Catholic accessible, affordable and available to all. We also ask God's blessings for health and safety as we move into our summer months for our entire Helias Catholic community.

Michael Burn

Mike Bruns Helias Foundation Executive Director

Since the 1970s, Pat Seifert has been a fixture in the halls of Helias Catholic High School. Even when factoring in the years she spent earning her English degree at William Woods University from 1977-1980, Pat has counted Helias as a homeaway-from-home in five separate decades – first as a student, then as an educator. Since 1982, however, sharing her knowledge and love of grammar and the English language has not only been her job, but a lifelong passion – one that has left an indelible mark on the thousands of Crusaders who have passed through her own classroom.

Now, after 40 years of doing the job she loves, Pat is closing the book on her teaching career as she prepares for her retirement at the conclusion of the 2021-2022 academic year.

Helias may never be the same. But just as she quoted from Ecclesiastes to the Class of 2019 while delivering their commencement speech, "There is a time for everything."

While the plan to retire has been in the works for some time, life rarely works exactly the way anyone expects. For Pat, this was certainly the case.

"I still love teaching, but I (originally) decided to retire to take care of my husband who suffered from Parkinson's Disease," she explained. "God had different plans. Even though my husband passed away in March, I still plan to retire. I feel certain that God will guide me in my future."

In the end, even after all she's given to so many, Pat Seifert will leave Helias grateful.

"I would like to thank the Helias community for the opportunity to enjoy myself each day while getting paid." What that future holds exactly is still uncertain. But Pat already has some ideas about how she plans on filling the void.

"I plan to spend more time with my family – especially my grandkids," she gushes. "I would also like to have time for pleasurable reading."

Pat quipped that research papers would most assuredly NOT be on her list of leisurely reading materials.

The uncertainty and changes to Pat's retirement plans shouldn't come as a shock to anyone, especially Seifert herself. It seems only fitting given that her beginning and longevity as a teacher at Helias were also the results of modified first intentions.

"When I first came to Helias, I had the intention of staying for a couple of years and then going back to school," she explained. "Well, I did go back to school. But a couple of years turned into 40 years."

Pat credits a pair of former colleagues for helping foster a significant part of her love for teaching during the early years in her career. That love of teaching Helias students is what has kept her a Crusader for so long.

"Pat Buchanan and Brother James Abell were both teaching at Helias when I began, and they both showed me daily how much they enjoyed sharing their knowledge with students. I have been blessed to have co-workers who not only care about imparting knowledge, but also care about the individual student."

Seifert has taken that same approach and sense of caring and applied it to her own methodology in the classroom.

"My main goal while teaching at Helias has been to make sure every student enjoys my English class," she explained. "English is often not the favorite of many students; however, I feel it can be something that is enjoyable even though it is not a favorite task. I also strive to see each student as having a great deal of potential. I am not so much of a teacher as a giver of tools to enable each student to go from where they are to where they can be with their abilities. I try to have an enjoyable time while doing this. I have always tried to accept students for who they are. Each person is different; we can do a disservice to students if we do not accept them for who they are and where they are in life."

Given her four-decade tenure, Seifert has certainly seen some changes in student life and the academic environment to go along with the times. Through those changes, however, she maintains a unique perspective that has helped her relate to students across multiple generations.

"Students have not really changed through the years," according to her. "The world has changed. At one time, kids passed notes and now they use technology. The world has given burdens to students that they are forced to deal with in their lives. Students have had and will continue to deal with Covid. Also, the threat of school violence has been tossed upon every

educator and student. Security cameras are everywhere.

No matter what is thrown at students, they seem to rise above and show resilience."

Though the socio-academic environment and the external influences may change from generation to generation, according to Seifert the kids are still kids, and the ones at Helias have given her great joy over the years.

"Helias students are kind, generous, and the best students any teacher could hope for."

hile future Crusaders may not get to enjoy the experience of a Pat Seifert-led English class, her legacy as a passionate educator will continue to live on at Helias. Her daughter, Melissa Welch is also an English teacher and co-librarian at the school. And it's because of Pat and her love of teaching that Welch followed in her mother's footsteps.

"I saw how much my mom truly loved teaching," Welch says. "Her passion inspired me to go into teaching. Crazily, we both love working with teenagers."

"I have literally been a part of the Helias community

since I was in my mother's womb," continued Welch. "When I was growing up, my brother and I attended Helias events from the time we were born. My mom loves Helias and the community that comes with it, and she instilled that love in me."

Welch says she could never underestimate the impact her mother has had on the lives of so many young people throughout her career, nor the amount of effort she put into her job.

"Mom has always been a hard worker," Welch explained. "My dad worked evenings, so she was taking care of my brother and me, getting her master's degree, and serving as the head cheerleading coach all at the same time," Welch explained. "Yes, there have been long nights spent grading papers... but she truly loves teaching. You can see it every day in how she interacts with her students."

Of course spending 40 years molding young minds and being somewhat of an institution doesn't come without some consequences... at least according to Welch.

"You know that six degrees of separation thing? You could probably do that with

my mom in this area." Welch half-jokes. "You can't go anywhere with her because she always stops to talk to *someone*. I've even had people in St. Louis ask me if Pat Seifert was my mom. They said we look alike. I don't see it!"

"She may not remember all of her past students' names, but she always remembers where each one of them sat in her classroom."

Despite the humorous inconveniences, the legacy Pat Seifert is leaving behind isn't lost on Welch.

"I think 40 years says it all," Welch says. "(My mom) has impacted so many lives over those 40 years. Even after all this time, she's still crazy (maybe crazier than ever), but she still has fun. She still loves it. She always told me to do something I love because then it won't seem so much like a job. I think teaching does that for the both of us."

"It takes a special person to teach – it takes an even more special person to teach for " 40 yeavs."

Excerpt from Pat's commencement speech to the Helias Catholic High School Class of 2019

"I know that I'm not perfect, but there are some things that I try to remember...

I try to remember that sometimes people are doing the best that they can, and we don't always know what they have to deal with in their life.

I try to remember that kindness or random acts of kindness are usually free and can truly be a wonderful thing.

I try to remember that it is okay to ignore your cell phone because talking to someone face to face is more important and shouldn't be interrupted.

I try to remember that it is okay to ask for help – whether it be help for a minor fix-it or help with struggles in life.

I try to remember that we don't always have to be in a hurry; we do not have to say "I don't have much time," or "I have something to do" when someone wants to talk to us, because that conversation might very well make all the difference.

I try to remember that not everything needs to be posted on social media.

I try to avoid negative people. I do not need to share in their unhappiness.

I try to be open and admit when I make a mistake or don't know something – I feel there is no shame in learning from the things I don't know.

"I sincerely hope that all of you will be lifelong learners – and I do mean learning beyond books. I hope that you yearn not so much to be taught, but rather wish to learn. I have found that the more I learn, the more I realize how much I do not know. If you think you know it all, then your learning has ceased. I hope you attempt things you cannot do, so that you learn how to do them. And please never stop questioning. Believe in your potential and abilities."

Congratulations! 2022 HALL OF FAME INDUCTEES

After having to cancel our annual Celebrate the Legacy Evening in 2021 due to the pandemic, March 5, 2022 was a celebratory evening when numerous family, friends, and community members gathered to honor a distinguished group of four individuals as the Foundation for the Benefit of Helias Catholic High School, Inc. and Helias Catholic High School inducted the newest class into the Helias Hall of Fame at Capitol Plaza Hotel. The Foundation and Helias are honored to recognize this exceptional class of inductees, each of whom have made a lasting impact on Helias and the Helias community. This celebration for education also highlights various aspects of the Helias educational experience in order to make the greater community aware of the benefits of a Helias education.

In an effort to recognize outstanding individuals whose lives have helped to establish Helias Catholic High School; the Helias Hall of Fame began in 2008. This year the Foundation and Helias Catholic proudly honored four such individuals: Ken Otke, Joe Scheppers, Carl Vogel (Posthumously), and Sue Bruemmer as Helias Catholic High School's 2022 Outstanding Staff Member of the Year.

KEN OTKE

Ken is the son of Leo and Dorothy (Becker) Otke. He is married to Bernie (Brunnert) Otke. They have two daughters: Carol (Danny Griffin) and Lisa Otke (Cliff Doucet). Ken and Bernie have one granddaughter, Whitney Griffin.

He graduated from St. Peters High School in 1953 and attended the "School for Administrative Leadership",

University of Montana, as well as various business seminars. Ken served two years in the United States Army (1954-1956) with the 82nd Airborne Division, Fr. Bragg, North Carolina.

Ken retired on January 1, 2008 after a long career. Leo Otke Construction, 1956-1963; Ken Otke Construction Co., Inc. 1963-1966; Missouri State Park Board, 1966-1977; Otke & Kaiser Construction Co., Inc. 1976-1993; Ken Otke Construction Co., Inc. 1993-2008; Owner, Ken's Service, 1968-1975.

Ken is a member of St. Stanislaus Catholic Church, Wardsville, Missouri where he serves as Lector, Communion Minister, and have participated in the Adoration Chapel since its beginning. He served several times on the Church Board and Parish Council, as well as served twice as the Chairman of the Church redecorating committee and as volunteer contractor of two additions to St. Stanislaus Catholic School. Ken was inducted into the Knights of Columbus Holy Sepulchre; served on the Missouri Catholic Conference, St. Mary's Board of Regents, and St. Mary's Hospital Foundation Board. He served ten years as president of the Cole County Planning Committee; eight years as an officer of the Missouri State Home Builders Assoc., two terms as president of the Jefferson City Home Builders Assoc. Ken Otke Construction Co., Inc. received the Jefferson City Small Business of the Year Award in 2008. He completed several projects for the Catholic Diocese of Jefferson City including: St. Robert Catholic Church, St. Patrick Church and School, St. Joseph Catholic Church, Edina, MO and St. Thomas Catholic School.

Ken's involvement with Helias Catholic High School includes two terms as President of Helias School Board; supported many projects, provided financial aid throughout the years, and participated in the Foundation Golf Tournament since its beginning 34 years ago.

JOE SCHEPPERS

Joe Scheppers is the son of Norbert and Eleanor Scheppers. He is married to Brenda (Hughes) Scheppers. They have two children: Jamie Scheppers (1999 Helias graduate) and Christy Ebright (2002 Helias graduate), husband: Chris Ebright. Joe and Brenda have two grandchildren.

He is a 1974 graduate of Helias High School and earned his Bachelor of Science in

Business Administration from University of Missouri-Columbia.

Joe began working for N. H. Scheppers Distributing in January 1977 while he was still attending college as a part-time promotional representative. Joe grew up in the business watching his father, Norb, grow the business from nothing. Joe became President of the N. H. Scheppers Distributing in 1989, when his father retired and currently holds the position of Chairman. Joe is a member of the Cathedral of St. Joseph Parish in Jefferson City, Missouri and is a member of the Knights of Columbus. His community involvement includes: St. Mary's Foundation board member since 1999, Finance Committee Chairman 2006, Past Board Chairman 2010-2011, and St. Mary's Cancer Center Campaign co-chair. He is a member of the Jefferson City Breakfast Rotary Club since 1994, past Treasurer 2007-2008 and President from June 2009 through July 2010, Joe received the Club Rotarian of the Year in 2021. He is a member of the National Federation of Independent Business Leadership Council -Missouri 2004 to present; Boy Scouts of America, Great Rivers Council Board of Directors since 2008 and was the Friends of Scouting Chairman in 2011. Joe was a Jefferson City Chamber of Commerce board member 2007-2009, Chamber Treasurer in 2011, and Chamber Chairman in 2013. He is a member of the Central Bank Board of Directors, 2011 to present; CAMPO Technical Committee, 2008 to present and St. Mary's Hospital Board of Directors, 2019 to present.

Joe's involvement with Helias includes being an annual supporter of the Foundation Golf Tournament and several Helias events with generous beer donations through the company. He is an annual contributor of the fund drive and makes donations to various other school supported activities.

CARL VOGEL (Posthumously)

Carl was the son of Carl F. and Rose Mary (Moerschel) Vogel. He was married to Kimberly (Grice) Vogel. They have two children: Jacob Vogel and Kristen Vogel. Carl and Kim have one granddaughter.

He was a 1973 graduate of Helias High School and earned his Bachelor of Science in Business Administration from

University of Missouri - Columbia.

Carl began full time employment in the family business, Jefferson City Coca-Cola Bottling Company, in 1978. He was proud to be the fourth-generation family member to be employed by the company and he was named President in 1983. He had been active with the Missouri Beverage Association as well as the national Coca-Cola Bottlers Association.

Carl was a member of the Cathedral of St. Joseph Parish in Jefferson City, Missouri. His community involvement included: Central Bank of Jefferson City Board member; American Red Cross Board member; YMCA Board member and Board of Trustees. He was a mentor at Lewis & Clark Middle School; member and past Board member of the Host Lions and Board member of the Great Rivers Council for the Boy Scouts. Carl was also a member of the Eagles and Knights of Columbus, as well as a longtime supporter of the American Legion and VFW. He was a past chairman of the Jefferson City Chamber of Commerce; served as board member on both the St. Mary's Health Center and St. Mary's Foundation, and served two terms as the Commissioner for the Jefferson City Housing Authority. He served on Advisory Boards for ABLE and Crime Stoppers. Carl was elected to the Missouri House of Representatives in 1991 serving the House for twelve years and then elected to Missouri Senate in 2002. During his twenty years in the Missouri General Assembly, he received numerous awards and recognition.

Carl's involvement with Helias Catholic High School and the Foundation included being Chairman of the Annual Fund Drive, and served as a board member of the Foundation. He donated Coca-Cola refreshments to help insure to minimize expenses so events could be financially successful as possible and enjoyed donating to Helias throughout the years.

SUSAN M. BRUEMMER 2022 HELIAS CATHOLIC HIGH SCHOOL STAFF MEMBER OF THE YEAR

Sue is the daughter of Tom and Carol McCarthy. She is married to Kurt Bruemmer (1985 Helias graduate) and they have two sons: Nick (2014 Helias graduate) and Joe (2016 Helias graduate).

She graduated from St. Thomas Aquinas High School, Florissant, Missouri in 1985 and received her Bachelor of Science in Education/Math from Southwest Missouri State University in 1989 and her M.A.

in Education/Curriculum from William Woods University in 2010.

Sue taught at Rockwood South Junior High School in Fenton, Missouri 1989-1991; Our Lady of the Assumption in Charlotte, North Carolina 1992-1993; Oakland Junior High School in Columbia, Missouri 1994-1995 and 1996-1997; and St. Martins Catholic School 2004-2016. She began her teaching career at Helias Catholic High School in 2016 teaching Algebra 1A, Math Analysis and Trigonometry, and Pre-Calculus.

Sue is a member of Immaculate Conception Church in Jefferson City, Missouri and the Immaculata Club.

Sue's involvement with Helias Catholic High School includes: Sponsor of Math Lab, one of the Co-Sponsors of Founders Club and Family Leader of the Missionaries.

The students at Helias Catholic High School are a huge reason why Sue loves her job. She enjoys teaching them because they are smart, creative, fun and kind. She admits that there are no two days the same at school and that the students bring energy into her classes which enables her to feed off of their enthusiasm. Sue has learned so much from her students and they have brought her closer to God through living examples of faith as young adults.

Renewing the Mission

By Zach Rockers, Helias Catholic Theology Teacher & Campus Minister

Twenty Helias Catholic High School students recently did something that was secretly incredible.

These individuals sacrificed four days to go and serve on a mission trip to Kansas

City, Missouri from March 26-29. It's safe to say that after their time there, they left the world a better place.

At Helias Catholic High School, we love to celebrate

the successes of our students. We are proud of our students' excellence in the classroom and on the court and field, and those accomplishments deserve to be acknowledged and praised! But we also want to recognize things that are a little more under the radar but every bit as important. An event like this mission trip was only possible because of the willingness of our students to go and serve the poorest of the poor in our area.

The individuals that attended the trip were Seniors: Gabrielle Bax, Sam Hentges, Harrison Miller, Chase Kempker, Tyler Sandbothe, Michael Sanner, Addison Schroer, Sydri Stratman and Cora Tharp. Juniors: Kennedy Kupec, Baz Lachick. Sophomores: Claire Ashley, Maryann Lloyd, Ella Patterson, Kearra Steinlage and Olivia Stith. Freshmen: Frances Grellner and Catie Meystrik.

The mission trip kicked off early Saturday morning with students and their families coming together in St. Pius X chapel at Helias Catholic High School to participate in the celebration of Mass before they hit the road. The students loaded their luggage and donation items into three vans which then departed for Kansas City. Once the group arrived in Kansas City, the service started and truly never stopped!

There were almost too many highlights to talk about, but some of the big things are to be noted. The primary partnership for this trip was with an organization called Operation Uplift. Their mission is to bring dignity, care, and compassion to the people who are homeless. Our students spent time sorting through donations that they would eventually deliver and also made 300 meals that they would serve. The highlight of the trip was when they loaded up into 3 large vans and spent four hours on three separate routes around Kansas City serving the poor in the area. During this time, they visited homeless communities in the woods, by railroad tracks, underneath overpasses, and in the heart of the city.

Another group that the mission trippers served with was the Poor of Jesus Christ Kansas City. They are a Franciscan order of Brazilian sisters, friars, and priests who serve and evangelize the poorest of the poor in the Kansas City area. Our students were blessed to spend an afternoon alongside them to see the joy that comes to those who devote their lives to the total service of Jesus Christ.

Another blessed service opportunity came from an entire morning and afternoon when the twenty students

NIZATION, INC.

partnered with Jerusalem Farms; a Catholic community that focuses on Catholic Social Teaching. They specialize in home repair to provide dignified housing options for families in need as well as community gardening efforts to bring a sense of pride and sustainability to the needy in their community. The students helped with great joy with all of the project that the group had going on at the time.

A smaller service project of the trip was when the group helped clean up the parish grounds around Our Lady of Perpetual Help. The group went to Sunday morning Mass at this parish and afterwards served in any way they could.

It was remarkable to see how inspired the parishioners and leadership of the parish were to see a group of high school students willing to give up four days to serve. The pastors of the parish spent a considerable amount of time talking with our students and sharing in the joy of service with them.

As wonderful as service is, the group also tried to model their time away in a manner in which Jesus lived. Christ frequently "went away to pray" and that is precisely what the Helias Catholic students did too. Whether it was taking

an afternoon to walk the beautiful trails of a Catholic retreat center called Christ's Peace House of Prayer, spending an hour in adoration and going to confession, or more spontaneous group prayers along the way... prayer was at the heart of this trip.

The students were simply remarkable on the trip. Because of this, Helias Catholic wanted to give a "thank you" to the students for their willingness to offer their time and talents to the less fortunate. It was very important to show our students that joy, fun, and service can all happen at the same time. This "thank you" came in the form of a fun night in Kansas City featuring Gates BBQ, bowling, and arcade games! No trip to KC is complete without experiencing the best BBQ in the nation! A fun fact of the trip: a common topic of conversation with the homeless the students were serving was what was their favorite BBQ establishment... everyone had a very strong opinion!

In addition to the big acts of service, there were several smaller acts that were witnessed throughout the trip that are

certainly worth a mention. This calls to mind the wise words of St. Mother Teresa when she said "there are no great things, only small things with great love."

Some of these smaller, yet equally remarkable acts, included the following: a spur of the moment student-led rosary late at night, the countless smiles, fist bumps, and hugs to those in need who the students served, the joyful dancing and singing in the vans as the students traveled all over the Kansas City area (what authentic friendship and fellowship!), the generosity shown by the kids leaving a wonderful tip for the waitress at Gates BBQ, the countless "What can I do to help?" question that was asked over and over. This list could go on and on...

Mission Trips and the ideal of service to others are important aspects of living faith that Helias Catholic is really striving to grow. As a school community, we have been greatly blessed. You can ask any of these twenty incredible students who made this trip of this undeniable truth... it is when we give that we truly receive. And each of these students most certainly received the love of Jesus Christ in their hearts through their extraordinary service. We are so blessed and thankful for them.

SPRING MUSICAL NASTASIA By Ron Vossen

n Friday, March 11th at the Miller Performing Arts Center, the curtain went up on opening night of Helias's Spring Musical, "Anastasia." A cast of 54 on stage, supported by 20 students managing behind the scenes as back stage crew, lights, sound, makeup, hair and costumes, and 30 students who helped

with set design and construction, put on performances that ensured that the 2022 Spring Musical would go down in the archives as one of the most memorable productions to have graced the MPAC stage.

When Ron Vossen, production manager and Helias faculty, and Amy Pringer, director, discussed what show would be considered for the spring musical in 2022, the rights to amateur performances of "Anastasia" had just been newly released for K-12 schools only. The opportunity to present a musical for the first time was an exciting challenge for both of them.

"Anastasia" is a beautiful musical with a heartwarming and inspiring story about loyalty, perseverance, strength, and devotion. Anastasia, a selfless and courageous heroine, is different from many of the musical princesses in that she is directly responsible for her happy ending.

Her strength and bravery lead her to seek out answers, and ultimately connect with long lost loved ones despite a harrowing past. Her dreams of finding love and the adventure along the way lead her to joy and happiness as she learns to make peace with her tragic past and pursue her heart's desires for the future.

Once the show moved into the Miller Performing Arts Center, the difficult technical aspects of "Anastasia" were made clearer with the addition of moving projections, large set pieces, and light design. Rehearsals in the Helias band

room rarely give a performer or production team a true sense of the performance space and creative vision, especially with this show since there were multiple dimensions to the larger scenes leading to creative spacing with cast and set in order to make sure projections were visible and synchronized with the musical score.

"It has been an incredible experience taking this romantic adventure and getting it to the stage. Between the lush musical score, the gorgeous costumes, the versatile and ever-changing set, in conjunction with digital projections and scenery, this musical has been one of the best, most challenging shows that I have been blessed to direct," says Director Amy Pringer. "With so many

facets to a musical, including lights, sound, backstage, and other production elements, it takes a village of parents and community volunteers to help support a phenomenally talented cast and crew in order to achieve this kind of success in musical theater."

A large part of this process included having a dedicated team of student directors, stage managers, crew leaders and production leaders that helped manage every step of the production process. It was a unique leadership opportunity presented to students to guide their peers and assist the director and production manager with making sure the rehearsals and performances ran smoothly. This had the added benefit of giving every member of the cast and crew someone their age to help and guide them which fostered a greater sense of family throughout the show.

While last year's 80's musical was a lot of fun and necessary due to restrictions with the pandemic, everyone involved in "Anastasia" was thankful to be back at full seating capacity in the theater, and

especially excited to be presenting a musical that embodied a more classical theatrical experience.

"It really is a unique play. The music is beautiful, and we have so much talent," said Ron Vossen. "It's a beautiful play with a rich history."

The coincidental connection between the story of "Anastasia," based on the legend of the Romanov family and the turmoil in Russia following their deaths, and current events in the world did not go unnoticed. In a powerful and beautiful moment

before each performance, the audience, cast, and crew took a moment of collective silence to acknowledge the need for healing and offered a special prayer for peace.

NEW FACES TO HELP HELIAS CATHOLIC GROW

KRISTEN BERHORST, a financial professional with a reputation for her respected work in the public sector in Central Missouri, will join the Helias Catholic High School staff as director of finance. The role was previously held for a number of years by Darlene Muessig.

Berhorst has served as Cole County's elected auditor since January 2015 and also served as Cole County's chief deputy auditor for 10 years prior to her election. She will resign her position as auditor June 1, 2022, after which she will take on her new role at Helias Catholic.

"During the past seven years as Cole County auditor, I have placed a priority on making sure that the county remains financially strong, regardless of the economy," Berhorst said. "With the cooperation of all the departments and elected officials, that goal has been achieved. It will be my mission at Helias Catholic to ensure that the school remains financially sound so we can continue to provide the best possible services to our students, families, staff and alumni."

Berhorst, a lifelong resident of Jefferson City and Cole County, has over 16 years of experience in the accounting field and holds bachelor's degrees in business administration and accounting from Lincoln University. She is a 1998 graduate of Helias High School.

She will oversee the financial functions of Helias Catholic High School and work to ensure its continuing fiscal health for future generations of Crusaders in Jefferson City and throughout Central Missouri.

"I would like to see the Helias Catholic community continue to grow by attracting more students and continuing the mission to build a community of saints and scholars – and that all starts with a strong financial foundation," Berhorst said. "I am excited about the opportunity to bring together my faith, experience and education to help Helias Catholic continue to grow."

Strong stewardship of financial resources is a key element of the operational vitality focus of Helias Catholic's strategic growth planning process, begun in 2019, which is also working to strengthen and enhance the school's Catholic identity and academic excellence.

"Kristen brings with her a wealth of experience and leadership in the world of finance. Beyond her commitment to our larger community, Kristen has a deep love for our Catholic mission," said Helias Catholic President John Knight. "I am very happy to welcome her back home to Helias Catholic."

Berhorst is a member of Immaculate Conception Catholic Church in Jefferson City. In addition to working for the citizens of Cole County, she is a member of the Governing Body of the United Way of Central Missouri, currently serves as president of the Missouri Association of County Auditors, and coaches youth basketball.

Berhorst lives in Cole County with her husband, Andy, and daughters, Abbie and Avery, who will hopefully become Crusaders in the future.

The following additional new faces will be debuting at Helias Catholic beginning in the upcoming fall semester.

Ariel Credeur will join the Helias Catholic faculty as a theology teacher. She has bachelor's degrees in religious studies and history from the University of Missouri-Columbia and a master's degree in history from Florida Gulf Coast University with experience teaching at the college level.

Nathan Kempf will join the Helias

Catholic faculty as an English

teacher. He has taught at several schools in Central Missouri, including St. Joseph Cathedral and St. Martin Catholic schools and currently at John B. Lange Middle School in Columbia. He has a master's degree in English from the University of Missouri.

Dr. Mary Miranda will join the Helias Catholic faculty as a science teacher. She has been a science instructor at State Technical College of Missouri since 2015 and has also worked as a physician, physical therapist and middle school science teacher throughout Central Missouri. She has a doctor of medicine from Louisiana State University School of Medicine,

New Orleans, and a bachelor of science in physical therapy from Louisiana State University School of Allied Health, New Orleans. She and her husband, Michael Simmons, have two children who both graduated from Helias Catholic.

Mike O'Rourke will join the Helias Catholic faculty as a theology teacher. He is completing his master's degree in theology through the Augustine Institute in Denver, Colorado, and has a bachelor's degree from the University of Missouri-Columbia in electrical engineering; he has over 13 years of experience in catechesis for young people in junior high and high school.

William Schatte will join the Helias Catholic faculty as an instructor in the Fine Arts and English departments. One of his primary roles will be to continue building up the school's speech and drama programs. He has a master of education in curriculum and instruction and bachelor's degrees in communications and English and speech communications, all

from Concordia University at Austin in Austin, Texas. He has 25 years of experience as an educator in Texas, Minnesota, Illinois and, most recently, at Calvary Lutheran High School in Jefferson City.

Cara Scheperle will join the Helias Catholic faculty as a vocal music instructor. She is completing a bachelor's degree in music education with a vocal emphasis at Southeast Missouri State University and has experience teaching music to middle and elementary school students in multiple settings.

Amanda Wehrle will join the Helias Catholic faculty as a math teacher. She has eight years of experience as a math teacher and Project Lead the Way teacher at Jefferson City High School. She has a bachelor of science degree in mathematics from Columbia College and will complete her master of science in mathematics with the University of Central Missouri in May 2023.

Stephanie Worthen will join the Helias Catholic faculty as a science teacher. She has 16 years of experience teaching high school and junior high science, including at Belle High School and St. Joseph Cathedral School in Jefferson City. She has a degree in biology from Truman State University.

Upon This Foundation...

Growing the Helias legacy with The Foundation for the Benefit of Helias Catholic High School

n 1956, Helias High School, the first dedicated, private four-year Catholic high school in Jefferson City, Missouri, opened its doors and welcomed its first students. Less than 20 years later a growing need for financial support was identified. And thus in 1974, the Helias Foundation, Inc., was formed with Jim Rackers serving as its first Executive Director – a position he held until his death in 2006.

Fast forward nearly 50 years and the Foundation is still here, still serving Helias Catholic High School, and still helping the school, its alumni and its supporters to grow their Crusader legacies.

Currently, the Foundation employs three full-time staff members: Executive Director Mike Bruns, Accounting & Financial Manager Kim Barbour, and Marketing & Social Media Coordinator Kris Wilson. An 18-member Board of Directors oversees operations of the Foundation. Gina Clement currently serves as the Board President, while Shari LePage serves as the current Vice President.

The sole purpose of the Foundation as a wholly independent and not-forprofit 501c (3) corporation is to promote, expand, and strengthen the long-term financial viability of Helias Catholic High School. Through the efforts of the Foundation, Helias continues to be able to offer a quality, affordable Catholic education to the students and families of Central Missouri.

The Foundation serves as a conduit for individuals and

organizations to financially support Catholic education in central Missouri. We accomplish this through outreach and education within the current donor community, as well as building a rapport and fostering relationships with potential future supporters; focused fundraising; responsible financial stewardship of endowed and unrestricted funds and a transparent fiduciary duty to our benefactors; and support of projects and future needs as prioritized by Helias Catholic High School or as directed by donors. The Foundation does this through both scheduled and as-needed dispersals of funds directly to Helias Catholic High School.

We accomplish this mission at the Foundation by generating revenue from our "Continue the Legacy" Annual Fund Drive campaign; our annual Foundation Golf Tournament and Young Crusaders Tournament, the annual Legacy Celebration & Hall of Fame Honors, and various other activities throughout the year. We receive financial gifts from businesses, alumni, past parents and family members, bequests, and many other personal donors who make up the greater Helias community. Recent pandemic-related cancellations notwithstanding, the Foundation also traditionally hosts the ever-popular annual Helias Grandparents Day Mass & Luncheon. The event is technically not a fundraiser, but a special opportunity for students, staff, faculty, and the Foundation to give thanks to those who truly are our living legacies.

The Foundation for the Benefit of Helias Catholic High School exists solely and exclusively to serve the current and future financial needs of Helias Catholic High School, the needs of its faculty and staff, and most importantly the needs of its students.

Their purpose is our MISSION. Their future is our PASSION. The continued success of Helias Catholic High School and its impact on every Crusader is our

THE FOUNDATION BEGINNING SCHOLARSHIP AND GRANT PROGRAMS IN 2022

The Foundation for the Benefit of Helias Catholic High School, Inc. will be offering two new programs in 2022.

The Foundation for the Benefit of Helias Catholic High School, Inc. Scholarship Program

The first is a Foundation Scholarship being offered for current Helias Catholic High School Seniors and Helias Catholic Graduates currently enrolled in post-secondary education, or graduate school.

WHO IS ELIGIBLE?

- Be a current Helias Catholic High School Senior or a Helias Catholic High School graduate currently enrolled in a college, university, technical or vocational college
- A current Helias Catholic High School Senior must show proof of acceptance into a post-secondary college, university, technical or vocational school.
- A Helias Catholic High School graduate must show proof of enrollment in a college, university, technical or vocational school.
- A Helias Catholic High School graduate, must show proof of having completed at least sixty credit hours of a degree program.
- Hold a minimum of a 3.2 GPA or above.

COMPLETED APPLICATIONS WILL INCLUDE:

- A completed application form with all requested information attached.
- An original transcript in an official sealed envelope.
- Official verification of acceptance or enrollment in a college, university, technical or vocational school.
- · Completion of personal statement.
- At least one letter of reference from a school advisor, school instructor, financial aid counselor, work supervisor or social service personnel.

HOW MUCH CAN I RECEIVE?

Scholarships vary per applicant, per year and are a onetime gift only. You may not reapply if you have previously received a Foundation scholarship.

HOW ARE RECIPIENTS CHOSEN?

A selection committee is comprised of the Helias Catholic High School faculty, the Foundation for the Benefit of Helias Catholic High School, Inc. Board of Directors and administrative staff. Applications will be screened for eligibility prior to being reviewed by the selection committee. Applicants will receive letters of acceptance, or denial of scholarships by mid-February.

HOW DO I APPLY?

• Application forms for the Foundation Scholarship are available, upon request, from the Foundation Office by calling (573) 635-3808, and eventually by visiting our website at: www.heliasfoundation.org.

The Foundation for the Benefit of Helias Catholic High School, Inc. Grant Program

The second program the Foundation is offering is a Foundation Grant for Helias Catholic High School Teachers, Directors and Sponsors seeking financial assistance for the upcoming academic school year.

WHO IS ELIGIBLE?

- A current Helias Catholic High School Teacher, Director or Sponsor who is seeking financial assistance for items within their classroom or activity.
- If you are awarded the grant from the Foundation, you are not eligible to reapply for 4 years from the grant received.

COMPLETED APPLICATIONS WILL INCLUDE:

• A completed application form with all requested information attached and returned to the Foundation Office by 4:30 pm on May 31.

HOW MUCH CAN I RECEIVE?

Grants vary per year with a maximum gift per request of \$2,000 or \$50 per student.

HOW ARE RECIPIENTS CHOSEN?

A selection committee is comprised of the Foundation for the Benefit of Helias Catholic High School, Inc. Board of Directors and administrative staff. Applications will be screened for eligibility prior to being reviewed by the selection committee. Applicants will receive letters of acceptance, or denial of grants by mid-July.

HOW DO I APPLY?

• Application forms for the Foundation Grants are available, upon request, from Foundation Office by calling (573) 635-3808, and eventually by visiting our website at: www.heliasfoundation.org.

The Foundation Board of Directors and Staff is very excited to be able to begin both of these programs to help provide assistance to our current Helias Catholic students and graduates.

For more information, please feel free to contact the Foundation Office at: info@heliasfoundation.org, or 573-635-3808.

HELIAS ACTIVITIES -A YEAR OF EXCELLENCE

Helias Catholic athletic teams and organizations are doing the school and the community proud. Not only have the Crusaders achieved great success in and on their particular fields of play, but perhaps most importantly they've shown an incredible commitment to academic success among their athletes and participants, showing proof that in the eyes of our Helias student-athletes, coaches and program advisors, effort and excellence in the classroom is just as expected as effort and excellence on the field.

ACADEMIC TEAM

The Helias Academic Team has been working hard all year. As an activity that begins in October and doesn't end until almost the end of the school year, our kids have really had to maintain focus for many months to stay sharp. We have competed this year at Columbia College several times, and have attended several local meets. Our longest trip of the year was to Washington University to compete in a tournament with great competition from over thirty other teams. We finished in the top half of that tournament. Our team is young this year, and shows a lot of promise. It has three leaders in particular, all juniors, who set the tone for the rest of the team. They are George Bestgen, Joseph Raley, and Abbi Tesreau. As the year winds down, we are preparing for the district tournament in Moberly on April 9th and hoping our season continues from there to sectionals.

ARCHERY

Helias Archery Team set new school record for team high score this season with

3,425 points. In March we took two teams to compete in the Missouri NASP State Tournament in Branson. Our first team finished 7th out of 52 high school teams with a team score of 3,375 points. The second team finished 41st with a team score of 3,115 points. Our top archers at State were sophomore Alison Forbis, who placed 3rd overall in the high school girls competition (out of 516 archers), and 2nd for her grade with a score of 291 (out of 300 possible points); and senior Natalie Ruetz who placed 7th in the high school girls rankings, and 2nd for her grade with a score of 289.

ART CLUB

The Helias Art Club has 20+ active student members who meet weekly to make art and inspire each other. This year, we created a new fundraiser, the Helias Holiday Art Sale, which gave all artists and crafters in the Helias community an opportunity to sell their wares. Due to the success of this event, Art Club members will have the opportunity to take a field trip to the Nelson Atkins Museum in Kansas City this Spring. Art Club also plans to create an interactive art experience for art festival

goers at Art in the Park this summer. Art Club is active and growing and we are excited about all the plans we have for the next school year!

BAND

The Helias Band had a successful marching season with a second in class finish at the KC Championships held at Blue Springs South High School and a 3rd place finish at the Royal Regiment Invitational in Harrisonville, Missouri. It felt great to be able to perform in the homecoming and Jaycee Christmas parades once again. The return of indoor performances allowed for the annual music department Christmas Concert at the Miller Center. Though we missed basketball this year we are anxious to be back at it next year!

In March the band participated at the MSHSAA state music festival and was awarded a level of Outstanding by our adjudicators. In April, the band traveled to Walt Disney World in Orlando, Florida. While there we led a parade through Magic Kingdom, finishing down Main Street USA!

In other exciting news, we have received a sample for new uniforms. We have been working with school administration to fit that purchase into this coming year's budget. If things work out you can hope to see them sometime this September. Planning for next year has been underway since October and we are very excited to present a show based on steampunk subculture.

We thank you all for your support and relish the opportunity to perform for you again soon!

BASEBALL

The 2022 Helias Baseball team will be a good mix of experienced players and young players looking to make their mark. There will be fierce competition for playing time which will only make the TEAM better. The Crusaders return ten seniors (Carson Gettinger, Will Herrbold, Nick Jeffries, Jaden Kolb, Cole Peters, Sam Schell, Brandon Scheulen, Cole Stumpe, Billy Underwood, and Kaden Hampson) who have all stuck with the program and are now ready to leave their stamp on Helias Baseball.

The schedule will again be one of the toughest in the state with several ranked and traditional powers added this year. The Crusaders will start off the season with a trip to the Bolivar tournament and also play in the JC tournament. The Crusaders will compete in the highly completive CMAC conference which will bring intense games night in and night out. Helias has added Kickapoo, Webb City, Ozark, and Springfield Catholic to bolster the schedule for district play.

Our goals never change no matter what class or district we are in; District Championship, Final Four, and State Championship. We will work tirelessly to try and achieve these goals and will do it the right way with respect for the game and our opponents. Together we can me a run for a sixth State Championship. GO CRUSADERS!

BASKETBALL - BOYS

The Crusaders Boys Basketball team enjoyed a historic season in their 2021-2022 campaign by putting together a playoff run that took them all the way to the State Title Game where they fell just short. Battling one of the toughest schedules in the state, the Crusaders had some ups and downs throughout the course of the season and concluded the regular season with a 14-13 record. Some regular season highlights included a 3rd place finish in the Machens Great 8 Holiday tournament where the Crusaders were able to defeat a good team from Rogers, Arkansas and a win over cross town rival Jefferson City. Following the holiday tournament, the Crusaders continued a tough slate of games with losses to Father Tolton and Rolla but were able to put together a few exciting wins as well. Those games included a buzzer beater by Desmond White to defeat Fatima, a fascinating first half to defeat Capital City, and a huge conference win over Hickman that saw Desmond White break the single game scoring record with a 50 point performance. After another tough stretch that saw losses against Bolivar, Republic, and Desmet, the Crusaders started to find their groove and put together a historic stretch of games. Starting with a big road win against St. Michael the Archangel, the Crusaders were able to win 4 of their last 5 regular season games and had high hopes for a playoff run.

The Crusaders traveled to Warrensburg for their Class 5 District 7 tournament as the #3 seed. With wins over Hogan Prep and perennial power Raytown South, a 3rd matchup with cross-town rival Jefferson City

was set for the District Title. The Crusaders dominated the 2nd half and were crowned **District Champions** with a 61-44 win over the Jays. Next up would be a trip to Independence to face off against William Chrisman. The Crusaders were able to put together another dominant 2nd half to earn a trip to the Class 5 Final 4 for the second time in 3 years. The semifinal matchup with Springfield Catholic was a battle from the tip to the final buzzer and the Crusaders were able to come away with a 53-50 win to advance to the first ever State Title game for boys basketball against a Webster Groves program who is known for their rich history in Missouri high school basketball. A tough second quarter saw the Crusaders facing a big halftime deficit in the title game but the boys never quit and were able to fight their way back

and out score the Statesmen in the 2nd half. Nevertheless, it was not enough to overcome the 1st half deficit and the Crusaders would finish runner-up in the Class 5 State Title game.

The Crusaders were led throughout the season by a group of seniors in Malcolm Davis, Scott Haslag, and Nicholas Heislen to go along with underclassmen Desmond White, Henry Neuenswander, Trey Bexten, and Jacob Rembecki. The season saw several very impressive performances as a team and big scoring performances by Desmond White and Malcolm Davis, but the strength of the team was their ability to come together as a unit and develop a bond that they will always have with one another.

BASKETBALL - GIRLS

The 2021-2022 Helias Lady Crusader Basketball season was one for the record books, making it to the MSHSAA Final Four in Class Four. This marked the first time the Lady Crusaders had made it to the Final Four since 1995. (27 Years).

The Lady Crusaders started off their season with a record of 4-0 winning the Comet Classic Tournament at Fatima High School. Adalyn Koelling (Soph.) and Claire Manns (Soph.) were named to the All-Tournament Team, with Claire Manns being named the tournament MVP.

After winning the Comet Classic the Lady Crusaders lost their next three games before

bouncing back by taking second place in the Peoples Bank Holiday Tournament in Sullivan, Missouri. All-Tournament team members included Adalyn Koelling and junior Mikah Edwards. Following the Sullivan tournament, the Lady Crusaders would compete in the annual Jefferson Bank Holiday Tournament held right here in Jefferson City. The Lady Crusaders would claim the hardware for this tournament beating cross town rival Jefferson City in the championship game. This marked the first time the Lady Crusaders had won this tournament since 2001 (20years). Adalyn Koelling, Ava Morris (Soph.), and Mikah Edwards were awarded All-Tournament team honors, with Adalyn Koelling earning tournament MVP.

With the three tournament wins over the holiday break, the Lady Crusaders were on fire winning 11 in a row. The team's only two losses after the new year were to eventual Illinois state champion Quincy Note Dame and Class 6 Rock Bridge.

Heading into districts the Lady Saders clashed with Fatima in the first round defeating the Lady Comets 47-24. The District Championship was one for the books. The Lady Crusaders rallied from an 11-point deficit at half time to defeat Class 4 #2 State ranked Southern Boone Lady Eagles 51-49, coming off a big shot from senior Gabrielle Bax. All-District honors were awarded to Adalyn Koelling and Claire Manns.

Next up was an impressive Sectional win

over California at Missouri S&T in Rolla. The Lady Crusaders won that game 70-55. Now the girls were only one game away from the final four taking on Ava High School in Lebanon, Missouri. With a 56-49 victory by the Lady Crusaders, our girls were heading to Springfield!

The last time the Lady Crusaders program made it to the Final 4 was in 1995 where they took second place. The girls were making history!

Unfortunately, things did not go as planned as the Lady Crusaders dropped their semifinal game to St. Joe Benton by a score of 47-42. However, the team was not done. They had one game to play still for third place and end their season with a win. The Lady Crusaders did just that defeating St. James with a score of 51-40. **All-Conference Honors (CMAC)** - Adalyn Koelling - First Team, Claire Manns - First Team, Mikah Edwards - Second Team **All-State Honors** - Adalyn Koelling **Academic All-State** - Jacie Buschjost, Sammi Ehmke, Gabrielle Bax

CHESS CLUB

Chess Club- (Photo: Aidan Hoeme and Joseph Raley warming up for the Missouri Scholastic State Chess Championship at Battle High School.) Chess Club takes place after school every other Tuesday in the Library. We play recreational chess. All levels are welcome, from beginners to those who have played for years.

CHOIRS

This school year we have four choir classes with approximately 150 students. We have a Chorus/Music Appreciation class for 10-12 grades, Freshman Men, Freshman Women, and Concert Choir.

In the fall we had 11 students selected for the Central District Honor and Concert Choir and two students, Leah Kolb and Audrey Cook were selected for the Missouri All State Choir.

We had a Fall Concert with just Concert Choir and were able to share the stage for our Christmas Concert for the first time in two years with the Freshman groups, Concert Choir, and Symphonic Band.

The Concert Choir performed several times for the Christmas season; the Mayor's Tree Lighting, Living Windows, St. Mary's Joy day, and the Kiwanis Luncheon.

Second semester we had our Spring Concert in March and had the Freshman groups and Concert Choir perform. Concert Choir earned an Outstanding rating at State Music Festival.

The Concert Choir was invited to perform in the Capitol Rotunda in March at the Missouri Fine Arts Education Day sponsored by the Missouri Alliance for Arts Education and performed the finale of an arrangement of America the Beautiful with all of the choirs from across Missouri that performed.

We had 16 students that performed in the MSHSAA Solo/Ensemble Festival in March with 17 entries. We earned 12 Exemplary ratings and 5 Outstanding ratings. All 16 students that participated advanced to State Music Festival in either solo or ensemble for earning Exemplary ratings. This is the first time all performing students at Helias have advanced to State Music Festival.

Concert Choir will be traveling with the Symphonic Band to Orlando, Florida and will perform in Disney Springs and help lead worship on Palm Sunday morning at Basilica of the National Shrine of Mary, Queen of the Universe.

CROSS COUNTRY

This season brought great success for both the girls and boys cross country teams, with wins at the Jefferson City Jim Marshall meet, Capital City meet, and Mexico meet. Our boys team was loaded with talent and experience, with plenty of youth ready to step into those roles for next season. The girls team is young and talented, with all but two varsity members returning for a strong team next year. Competing in large school Class 5 we had six runners earn All-District and qualify for the state championship race: Seniors Payton Kirchhoff, Perry Scott, Noah Voss, and Alexa Lamb, junior Danielle Buker, and freshman Lauren Verslues.

DANCE EXPLOSION

The 2021-2022 Helias Dance Explosion had an amazing year! Our season began in the summer with a very successful NDA camp including 3 All-American dancers. We loved cheering on the Crusaders this fall, dancing at halftime throughout football season and at two boys soccer games. We hosted the CMAC dance competition in November, taking home second place overall. All five of our competing soloists earned All-Conference honors. During the winter season, we have enjoyed dancing at halftime in support of both the boys and girls Crusader basketball teams. We competed at the regional level in January at the Farmington Dance Invitational. We took home 1st place, superior ratings for both our Mix and Kick routines resulting in 1st Overall for Division 2! Nine soloists also placed in the top 3 for their respective grade level solos. We finished out our year at the end of February competing in the state competition. We placed 2nd in Kick and took home a 1st place State Championship in Mix for Division 2! We earned a 3rd Place State Championship for Division 2 Overall! In addition, 5 soloists placed in the top 10 and 8 dancers took home Academic All-State honors! We are so proud of this year's accomplishments and look forward to next year's auditions in April. Go Saders!

EPSILON BETA CLUB

Epsilon Beta is a group that promotes literacy, talks books, and participates in service opportunities through the library. The club meets monthly and hosts various activities and events including a book club, movie nights, and book drives throughout the year. There is a yearly Epsilon Beta conference.

FOOTBALL

The 2021 Football Crusaders had a very successful season. Another City and CMAC conference title were the high point of the seasons. 9-2 was the final record with both losses coming to eventual state finalist Hannibal and Wentzville Holt. The season wins included: Hickman (41-6), Battle (35-22), Granite City (49-0), Rock Bridge (34-13), Capital City (31-0), Jefferson City (51-7), Sedalia (35-3), Vianney (47-9), and Washington (49-6). The Junior Varsity and Freshman teams ended their seasons undefeated. They dominated their competition with a final score for the season (600-89) points.

The coaches would like to thank all the senior players who dedicated themselves for four years. They finished their three year varsity career with a record of 32-3. They were instrumental in the re-building of this football program. Post season honors included the following: All District players – Beau Bondurant, Cole Stumpe, Ryan Klahr, Nicholas Heislen, Vinnie Calvaruso, Drew Miller, Gage Wilde, Carson Brauner, Tyler

Sandbothe, Jack Klebba, Ryan Klahr, Sam Schell. All Conference players included: Alex Cook, Drew Miller, Korbin Fisher, Jack Klebba, Gage Wilde, Carson Brauner, Beau Bondurant, Kaden Hampson, Tyler Sandbothe, Cole Stumpe, Vinne Calvaruso, Ryan Klahr, Harrison Miller, Nicholas Heislen, Tanner Nappier, and Sam Schell. Beau Bondurant was named CMAC defensive player of the year. Vinnie Calvaruso, Beau Bondurant and Cole Stumpe were all named to the Missouri Football Associations All-State Team. Academic All State honors included: Will Herrbold, Harrison Miller, Tyler Sandbothe. Cole Stumpe, Ryan Klahr, Sam Hentges, Drew Distler, Cristian Prasad, Henry Neuenswander, Aiden Hoeme, and Trevor Kolb.

GOLF - BOYS

The Helias Boys golf team will return four varsity players from last year's incredible run that ended with a Top 3 Finish in Class 5 Golf. Archer Schnieders, Davis Linhardt, Burke Bauer and Graham Johnson are all returning for Coach Higgins who believes this could be the most talented team he has had in years. In addition to the four returning starters the Helias Golf Team now has talented players that will be battling for the #5 spot to complete the Varsity roster. Senior Jordan Ralston and Junior Miles Volet are two very talented golfers who will fill the final roster spots during post season. With Archer Schnieders (Missouri Junior Player of the Year) the Saders are set to make another run at a State Championship this year at Dalhousie Country Club in Cape Girardeau, Mo.

GOLF - GIRLS

The Lady Crusader Golf team enjoyed a successful 2021 fall season, placing second at the District Tournament in Moberly. Sophie Hinds and Sophie Van Dyne both earned All-District honors. The team then advanced to the State tournament held at Columbia Country Club, bringing home a 4th place trophy. Sophomore Sophie Hinds earned All-State honors with a 15th place finish. The team also placed second at the CMAC conference tournament held at Jefferson City Country Club. Sophie Hinds, Sophie Van Dyne, and Molly Case were named to the All-Conference team.

Four outstanding Senior lettermen: Grace Cooper, Raygan Hamilton, Halle Luetkemeyer, and Sophie Van Dyne, will be lost to graduation. The squad however, returns several quality underclassmen for next season, including rising senior Kate Boyer; rising juniors Addi Bayer, Abbi Cooper, Sophie Hinds, and Alora Lepage; and rising sophomores Maggie Brauner, Molly Case, and Flynn Hamilton. These young ladies will be counted on to continue the rich tradition of Helias Lady Crusader Golf in 2022.

ROBOTICS TEAMS

The Helias Catholic Robotics teams have a central core value called "Coopertition." It means we compete with other teams for the purpose of making all teams better. Winning or losing is not what is important, but how you play the game and what each team can achieve in the process. This philosophy supports the

This Spring season will end with nine 4-yr Seniors graduating – the largest graduating class ever for the team. The team remains 100% self-funded and committed to their mission of providing students at Helias that may not fit into the typical sports mold an opportunity to belong to a high school team, learn about safe gun practices and develop a skill that they will use the rest of their life.

mission of our Catholic schools. Furthermore, robotics students become outstanding leaders for our future. This year, our seniors are already managing businesses and training others in our community. Many move forward to degrees in engineering and technology. The team competes around the state in the world wide FIRST program with over 675,000 participants in 110 different countries. The Helias teams reach out to the community and involve several Junior high students from public and Catholic surrounding schools. This outreach brings prospective students to our building from Catholic and public schools. is the Tim Backes lead Mentor for the program, Melissa Rockers and Lucas Winkelman (an alumni team member and Helias graduate) also help mentor students in this program.

STEM CLUB

For this school year the Helias STEM Club (Science, Technology and Engineering Club) has been busy working with community members and Helias students to share knowledge about the diverse world of STEM. This fall the club welcomed Dr. Samson Tesfaye, Professor of Research with Lincoln University. He brought drones to demonstrate to students the many uses. And students tried their hand at flying them in the Helias gym. The club invited Dr. Bradley Sloan, with JCMG, to speak to the area of medicine – sports, regenerative and family. He also shared advice on his medical background and why he chose this field. The club also had Carol Davit, Executive Director of the Missouri

Prairie Foundation, to speak to her passion for prairies and their management.

** Mrs. Lamb is the faculty advisor for STEM

SHOTGUN SPORTS

Spring 2021 – The Helias Catholic High School Shotgun Sports Team graduated six Seniors who participated on the team all four years. Among them, Maddie Kehoe was recruited and awarded a scholarship to shoot at Lindenwood University in St. Charles, Missouri. Lindenwood has the distinction of winning 15 straight national championship in shotgun sports.

Fall season began the 7th year for the team under the original coaching direction of Ed Twehous and Denise McCorkle. It started strong with 11 new athletes joining the team for a total of 34. Senior Truman Bonnot captured a competition score of a 97/100 at the 2021 Myssa Fall Classic and became the first Helias Shotgun Athlete to run a 75 straight! Senior, Gage Lock was right behind him at a 96. As the Spring season started the team swept the first tournament of the season at the Prairie Grove Spring Break 'Em under the worst wind conditions we have seen. Izabella Libbert, Marta Howard and Lilly Landwehr landed the Top 3 in Ladies! Nate Rice, Max Huber, Will Hentges, TJ Kirk and Jeremiah Bruemmer earned Top Squad. Finally, Nate Rice finished 2nd and Will Hentges finished 3rd overall shooting against a National Champion!

SOFTBALL

The 2021 Helias Lady Crusader Softball season was filled with many successes and accomplishments both on and off the field. Led by a tremendous group of seven seniors, our team continued to grow and develop throughout the many challenges presented during the season.

The Lady Crusaders began their season with a road win, 11-0 over Father Tolton. The following week we lost a tough ball game at Rolla, 5-1. That weekend we hit the diamond in the Rock Bridge Tournament. The Lady Crusaders would earn wins against Fulton and Lee's Summit North. We would fall in the semifinal to eventual tournament champion, Rock Bridge. Seniors Liv Bloomer and Mallorey Rogers were named to the All-Tournament Team.

After the Rock Bridge Tournament, the Lady Crusaders would go on to win 10 of their next 12 games, including wins over Cape Notre Dame, Jackson, Ozark, Lee's Summit, and a 3rd place finish in the Jefferson City Tournament. Our only two losses during that span would be to state-ranked Fatima, and eventual class 3 state champion Blair Oaks. Over our next four games we concluded our conference schedule. The first three of those were road trips to Columbia to face off against Battle, Hickman, and Rock Bridge. The Lady Crusaders would win 2 of 3, with wins over Battle and Hickman. The Lady Crusaders would then play Capital City with a chance to earn a share of the conference title. In a tough battle against one of the state's top pitchers, we took a tie ball game into the seventh inning, but would eventually fall just short in a 6-2 loss. To finish up the regular season, the Lady Crusaders competed in the Rolla Tournament and posted a 4-1 record.

The Lady Crusaders entered Class 5 District 5 play as the 5 seed in arguably the toughest district in the state. The field included state-ranked Blue Springs South (1), Rock

Bridge (2), Grain Valley (4), Helias (7), and Blue Springs (9). In game one, junior Molly Berkey was brilliant tossing a complete game shutout and hitting a home run to secure a 1-0 win over Blue Springs. In the semifinals, the Lady Crusaders were matched up against Blue Springs South. Berkey, along with some solid defensive play, was fantastic in the circle again for the Crusaders; however, we were unable to scratch a run across in a 1-0 defeat. The Lady Crusaders finished the season with a 21-8-1 record.

Individual Honors:

All-Conference: 1st Team: Molly Berkey, Liv Bloomer, Payton Dudenhoeffer 2nd Team: Karoline Klebba, Mallorey Rogers All-District: Molly Berkey, Liv Bloomer, Payton Dudenhoeffer, Mallorey Rogers All-Region: 2nd Team: Molly Berkey (Pitcher), Payton Dudenhoeffer (Infield) Academic-All State (3.7+ GPA) Gabrielle Bax; Liv Bloomer, Reece Chiles, Karoline Klebba, Ava Morris, Mallorey Rogers, Cambri VanLoo, Maddie Verslues

The Helias Lady Crusaders softball team was recognized as an Academic All-State Team with a 3.75 GPA.

STUDENT COUNCIL

Helias Student Council has held many events this year and rallied up the students. Our emphasis is on student engagement, entertainment, and acts of service. These activities range from toy drives to hosting the Homecoming dance. We have also tried to involve our community into our events to gain support from adults and future Helias students. So far, these activities have been very successful and even bring in resources for those in need.

We started off the year with Frosh Camp, which is a camp to help our incoming freshmen

to become acclimated to the school and comfortable. It is a day full of activities, energy, faith and food. It is completely free to attend and a lot of fun. In September, Helias Student Council volunteered at the Special Olympics Bocce Tournament. All members got to play with one of the Special Olympians and help throughout the day. One of our teams placed second! After the success of Frosh Camp, we immediately went into Homecoming. This year, we were able to host the homecoming dance, had an outstanding assembly, organized a parade, had fun activities and dress up themes each day of the week, decorated the entire school, and even brought our Homecoming fun to a football game for the Helias Crusaders.

We are always ready to cheer on our sports teams. At each home football game, the Student Council sold glitter and face paint! We found it to be a huge success and plan to continue it next year.

Following the football season, Helias Student Council attended MASC Districts in Fulton, Missouri to learn more about our fellow councils in the Northwest District and had a lot of bonding time with our co-council members. Christmas week was our last activity before the New Year. We had many activities throughout the week, decorations up in each hall, Christmas grams, and more dress up days.

After we returned from Christmas Break, StuCo set up a blood drive for the Red Cross in January, bringing out 65 units of blood (195 people's lives saved). The Student Council also hosted our first ever "Snowball Fight" dodgeball tournament, which was a big hit. All teams played hard and the event went smoothly.

For February, StuCo ran Data Match, a compatibility/algorithmic function that pairs up the young men and women of our school to others (for friendships, relationships, and least compatible). The students loved seeing their results. We also sold and distributed Valentine's grams for anyone who bought them. Another great thing that StuCo held in February was a Sadie's pageant and the Sadie's dance. The

Sadie's pageant is a talent show for our top ten senior boys, voted on by their classmates. Student Council members ran another blood drive in March. The participation from our students and community was incredible. We ended the drive with 93 units (279 lives). Our student council tries to stay very involved with campus life and we are hoping to start many more fun traditions that will be appreciated by the students. Our next goal is to have a great Spring Fever week that is eventful and full of fun for the Helias students. We cannot wait to improve all of our activities and events for next year.

TENNIS - BOYS

The boys tennis season is back in action this spring with several returning lettermen. Strong leadership from seniors: Caleb Mueller, Matt Schepers, Jacob Zerr, and Adam Winkelmen, along with junior leadership from Ethan Foucheaux and state qualifier Andrew Dowden will set the boys up for a successful season. They have hefty goals for themselves and the team, providing the younger players an encouraging, but competitive atmosphere. In addition to leadership, the team has improved on their overall conditioning and consistency of play. We look forward to improving our record in CMAC standings as well as districts. Good Luck 'Sader Tennis!

TENNIS - GIRLS

The Lady Crusader Tennis Team had a year of new beginnings. With only two returning Varsity members, the future was uncertain, but the girls took first place in the Jefferson City First Serve Tournament, the Helias Invitational, and the Hannibal Invitational. New Head Coach, Maggie Crider, led the team to the Elite Eight - tying the highest team finish in Lady Crusader Tennis History. Hannah and Catie Meystrik took first place in Individual Doubles Districts but missed out on the State Tournament by being taken out in Sectionals. Samantha Schlacks took second place in individual Singles Districts and won her Sectionals match continuing on to the State Tournament. Looking to the future, all six members of Varsity are returning for next season, and kicking up the practice in the off-season so that they can make a play for the state title! The tennis lady Crusaders are ones to watch!

Varsity Team - Samantha Schlacks, Lily Delk, Hannah Meystrik, Catie Meystrik, Mary Lorang, Sydney Drinkard

TRACK & FIELD

The 2022 Track Season promises to be a very exciting and fun-filled year. We are looking to build off last season and keep the program progressing in the right direction. Coach Phil Pitts returns for his second year and he brings with him a group of assistants that really do a great job of training and building the student athletes. Staff members include Leslie Verlues, Chris Jones, Amy Schrimpf, Chip Malmstrom, Mark Ordway, Adam McMorris, Camie Phillips, Tom Emmel, Josh Crisostomo, and Nick Reed.

On the boys' side we now have almost 50 participants and we look to really make a push

to win a district title and get into the top 20 at state. We return one state qualifier in Ethan Wilson and we will look to the senior leadership in Noah Voss, Perry Scott, Payton Kirchhoff, and Nate Rice to lead our team.

On the girls' side we have grown our team to almost 30 girls. We finished 15th in the state last year and we return all of our state points. We are led by four-event all state athlete Mikah Edwards. We also return the following state qualifiers: Ava Morrisey, Alexa Lamb, Tauny Gore, Mikah Edwards, Schyler Phillips, Izzy Struemph, and Sammi Ehmke. We will lean on these returners plus our strong senior group of Ava Morrisey, Beth Luebbert, Allie Kleene, Alexa Lamb, Liv Bloomer, Alice Stiefermann, and Sammi Ehmke to have our girls compete for a district title and a top 10 state finish. 2022 will be a special year for our Crusader Track Team. Together we will push to new heights and achieve things we haven't achieved before.

VOLLEYBALL

The Helias Lady Crusader varsity volleyball team finished the 2021 season with a final record of 24-10-2. The Lady Crusaders

took 1st Place in the Branson Tournament and Jackson Varsity Tournament and 2nd in the Camdenton Lake Volley Fest Tournament. The Lady Crusaders also took 2nd in the Class 5, District 9 Championship. This was the 17th year in a row Helias played for the district championship. Chapel Dobbs, Annica Luebbering and Landrey VanOverschelde were selected 1st Team All-District; Jacie Buschjost and Grace Verslues were named 2nd Team All-District while Summer Hake, Beth Luebbert and Sydney Mingucci made the Honorable Mention All-Distirct Team. Dobbs, Luebbering and VanOverschelde were named 1st Team All-Conference while Buschjost was selected to the 2nd Team and Verslues made Honorable Mention . Luebbering was chosen as the Conference Defensive Player of the Year. Dobbs was named to the Class 5 All-State Team. 16 players qualified for the Missouri High School Volleyball Coaches Association (MSHVCA) Academic All-State Team. The varsity team had a combined 1st semester GPA of 3.872.

The JV went 22-8-1 and had a combined GPA of 3.455. The freshmen had a final record of 20-12 and had a combined GPA of 3.324.

WRESTLING

Helias Wrestling completed its most successful season since 2003, finishing 2nd place at the Missouri State Class 2 Wrestling Championships. The Crusaders finished 23-1 in dual competition only losing 36-30 to the eventual class 3 runner-up Hillsboro. The Crusaders were tournament champions 4 out of 5 tournaments they competed in. The Crusaders also easily won Class 2 District 3 and qualified 11 wrestlers to the Missouri Class 2 State Championships.

At State, the Crusaders were led by now two-time state champion senior Jack Lage. Jack won his second state title in convincing fashion scoring bonus points in all four matches he competed in (3 falls & 1 major). Placing second was junior Carter Prenger, followed by sophomores Logan Montoya placing 3rd and Drake Perkins placing 4th. Seniors Wyatt Forck and Tanner Nappier both finished 5th. Qualifying for state and winning at least one match each were Gage Lock, Carson Hayes, Jace Duemmel, Michael Sanner, and Jack Klebba.

Looking ahead to next year, eight of our fourteen starters will return for what looks like another successful season. Helias Wrestling has brought home state trophies the past two seasons: 4th in 2021 and 2nd in 2022, and we hope to continue that upward trend in 2023.

Z CLUB

The Z Club is a high school girl empowerment club, whose main focus is building confidence and leadership skills. This school year the club hosted speakers including Angela Hirsch, Director of the Rape and Abuse Crisis Service and Supreme Court Judge Robin Ransom. The students welcomed a family to their new Habitat for Humanity home; brought a meal to the HALO House, the girls homeless shelter in Jefferson City; helped children write 280 letters to Santa for the Living Windows event; and they are currently doing a collection to raise awareness and funds for the Central Missouri Stop Human Trafficking Coalition. They will be volunteering at this year's Heart Ball, and on May 7th the students will be hosting a Girl Empowerment Day for middle school girls at the Memorial Park Pavilion where they will learn outdoor skills, yoga, and kickboxing.

The photos and paragraphs were provided by the individual organizations and teams.

FUND DRIVE RESULTS

2021 GOAL:

ONE GIFT. ONE GOAL

τμανκ γου

Thank you to each and every one of you for helping us reach and exceed our 2021, \$500.000.00 goal during our annual "Continue the Legacy - One Gift. One Goal." fundraising campaign which we kicked off in the middle of September and concluded on December 31, 2021. Thank you for your generosity and your commitment to support the students, faculty, and the mission of Helias Catholic High School.

Mark Schell

Carrie Hayes

Thank you to Mark Schell ('93) and Carrie Hayes ('94) for their leadership and hard work during Helias Foundation's 47th Annual Fund Drive! The Foundation is very blessed and thankful for all of their time and effort to help make this year's campaign a success.

Thank you to our St. Peter High School and Helias Catholic High School alumni. St. Peter and Helias graduates from near and far gave back to support the Foundation and Helias Catholic. Because of so many individuals...graduating classes, classmates, and those of you who challenged each the results were phenomenal! Also, thank you to our

younger Crusader alumni. It was refreshing to see so many of our younger alumni join the effort to give back to Helias Catholic.

Thank you to our current Helias parents who supported the drive by giving to the Bridge the Gap component of our campaign either by giving a gift, purchasing a Bridge the Gap t-shirt for their Helias Catholic student, or both. The fact that you are willing to answer the call to help "bridge the gap" so that tuition can remain affordable for everyone is outstanding.

Thank you to our business donors. Your organizations are important to our community and your continued support and devotion to the betterment of this place we call home, makes this community so great for which we are so thankful.

Thank you to all of our friends in the Helias community! Whether you're a grandparent, neighbor, friend of a coworker, or just someone who supports the idea of affordable Catholic education in our community and are inspired by the young women and men shaped by Helias Catholic...we are appreciative and humbled by your willingness to give and support.

Our responsibility at the Foundation...our sole purpose...is to ensure the financial viability of Helias Catholic High School for our current students and those in the future. We can't do what we do without the financial support of the greater Helias community. This year, perhaps more than any other year, you have shown that the future of Helias Catholic and every student who walks through those doors is brighter than ever. Thank you!

Disclaimer

We take great pride in offering our alumni, businesses, and friends an accurate and complete annual fund drive report. We do our best to acknowledge all gifts that have been given to The Foundation for the Benefit of Helias Catholic High School, Incorporated in the past fiscal year. If we have omitted your name, please notify our office. Corrections and additions will be printed in a later issue of the Helias Crusader magazine/newsletter. Please call 573/635-3808 or e-mail Mike Bruns at mbruns@heliasfoundation.org, or Kim Barbour at kbarbour@heliasfoundation.org. Thank you for your understanding.

FRIENDS OF HELIAS

At The Foundation for the Benefit of Helias Catholic High School, Inc. and Helias Catholic High School, our "Friends" are those individuals who are not easily labeled. They are not St. Peter or Helias alumni, but may be neighbors, or have met a student or faculty member during the year and have gained contact with our school and foundation. In the case of those listed below, in addition to being known as Friends, they are also contributors. Helias could not hope to have a finer set of friends.

Mr. and Mrs. Michael Abbott Dr. and Mrs. William L. Ambrose D.D.S. Mr. and Mrs. Jack Anderson Anonymous - In memory of Patrick Brauner Mr. and Mrs. Randy D. Arnold Mr. and Mrs. Bob Asahl Mr. and Mrs. Patrick M. Ashley Mr. and Mrs. Jerry J. Backes Mr. and Mrs. John Backues - In honor of granddaughter: Sophia Backues Mr. and Mrs. Jim D.
